The following letter-form was brought about as a means of teaching my children the Word of God through the mail. And of course, quite naturally so, that's the reason I begin these letters with "Dear Children" and end them with "Love Dad". So for the rest of you who participate in these weekly messages, please keep their original intended purpose in mind.

Dear Children,

“Well, praise the Lord!” Would you believe He's given us yet another sermonet on Jimmy Swaggart? And He's even going to use one of Jimmy Swaggart's very own assistant pastors to personally put the bust on Jimmy Swaggart! In fact the title of today's message is **“Jim Nations Rebukes Jimmy Swaggart For His Martial Arts!”**

So, to kinda like get things rolling, here's a short segment of what Jim Nations has to say about himself:

Hello, I am Jim Nations of SonLife Broadcasting, the Frances & Friends program at Jimmy Swaggart Ministries. Let me tell you a little about myself... **I joined the Masonic Lodge at the age of 23**, mostly because of my Dad's influence, but also because of my curiosity and the power which I recognized that the Freemasons possessed within the society. **Shortly after I was raised to a 3rd degree Master Mason**, God began to stir my spirit and He drew me back to Him... God began to deal with me about the Freemasons shortly after I came back to Him. I did not understand why, because all I could see at the time was the good works that the Freemasons accomplished. Now I know that **you cannot find out the truth in a cult or in any occult organization when you are still on the inside of it.**

[http://www.jsm.org/jimmy_nations.html]

Now, that's our little introduction to Jim Nations the “ex” Freemason. I mean you might even want to say that he's the Jimmy Swaggart Ministries' resident expert when it comes to “Masonry and the occult”. In fact it was back in 2009 that a concerned individual emailed a question to “Frances And Friends” after experiencing the “martial arts” being promoted by “Christian” ministers and their ministries. And it was Jim Nations to whom “Frances And Friends” delegated the responsibility of answering this concerned individual's question.

So with that in mind, this was how Jim Nations responded to the question on “Christian” martial arts:

From: Jim Nations
Sent: 04/06/09 10:54 AM
Subject: martial arts????

Hello I am Jim Nations a pastor at JSM and also on Frances & Friends I was ask to answer your email.

I am appalled that anyone could think they can mix the occult with the Gospel, but in the days we live I am not surprised for we are in the great apostasy of 2 Thes. 2:10-12. The martial arts comes from the Mystery religions and is connected to the occult it is demonic you cannot make the moves that are made within yourselves if takes a spirit, it is against everything that Jesus and the Holy Spirit stand for. I am a former Freemason and it also is part of the Mystery religions, the church is filled with the New Age movement which all connect to the same thing and all roads lead to Rome, Rev. 17.

Jacob did not use martial arts he was just holding on until he got a blessing, that is so ridiculous and people should know enough about the Bible to know better. TBN is both Freemason and Roman catholic.

Hope this helps you.

bro. Jim

Now did you catch the import of that? Jim Nations was “appalled that anyone could think they can mix the occult with the Gospel”! In fact he went on to equate those who do so with those prophesied about in God’s Holy Word:

“And with all deceivableness of unrighteousness in them that perish; because they received not the love of the truth, that they might be saved. And for this cause God shall send them strong delusion, that they should believe a lie: That they all might be damned who believed not the truth, but had pleasure in unrighteousness.” (2 Thessalonians 2:10-12 KJV)

You see it’s just as Jim Nations said: The martial arts come from the Mystery religions. They are connected to, and inseparable from, the occult. In other words, the “martial arts” are demonic! And the only way that a minister of the gospel of Jesus Christ can be associated with such demonic identities is if they are under a strong delusion and believing Satan’s lie.

Now with that portion of Jim Nations’ email in mind, please allow me to present to you “Master” Charles Dingman:

In 2008, Master Dingman opened a new, expanded training dojang in the Ketchum Fitness Building, coached a medalist at the National Junior Olympics in Detroit and traveled on a ten day tour of the Kukkiwon in

Seoul, Korea as part of the first ever US Delegation of Grandmasters and Masters. He also received a Kukkiwon citation for lifetime accomplishments in Taekwondo while at the first Hanmadang event in Los Angeles, CA.

So what do you think about that? Well, it might help you understand what you just read if you have a proper definition of this thing called a “dojang”. I mean, after all, I didn’t have the slightest clue until I looked it up in “Wiki”:

Dojang is a term used in Korean martial arts, such as taekwondo, Kuk Sool Won, and hapkido, that refers to a formal training hall. It is typically considered the formal gathering place for students of a martial art to conduct training, examinations and other related encounters.

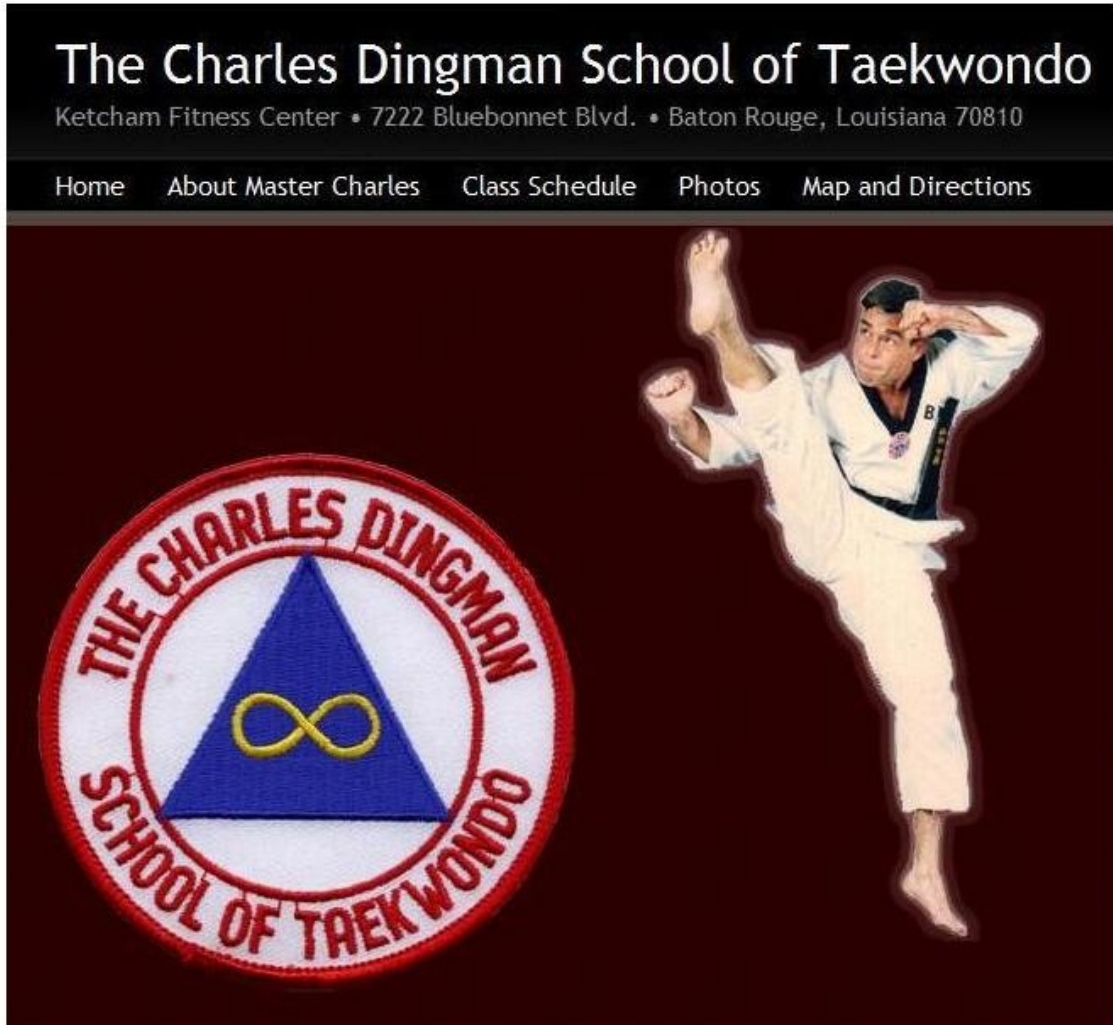

Do means 'the way' or 'art' and Jang means 'a place'. Which makes dojang the place where one practices the way. In the case of martial arts it is the place where one practices the path of that martial art, much like Dojo in Japanese. More specific terms such as "hapkidojang" or "taekwondojang" can be used for particular subtypes of dojang. **The word Dojang originates from Buddhism. The dojang is a place where meditation and practice takes place in the temple.**

Now in the plain and simple of it, a “dojang” is a training center where **Korean martial arts** are taught. In fact it was in 2008 that “Master Dingman” opened his “**dojang**” to teach “**taekwondo**” in the Jimmy Swaggart Ministries’ “**Ketcham Fitness Building**” that was built and paid for through the donations of Jimmy Swaggart’s faithful followers for the sole purpose of taking the Gospel of Jesus Christ throughout the world. And the following 2011 Google “street view” even shows Master Dingman’s “**TAEKWONDO**” sign attached to the front of Jimmy Swaggart Ministries’ “**Ketcham Fitness Building**”:

So, what’s wrong with this picture? I mean what we’re talking about here is a form of “Buddhist temple worship” being carried out in one of the Jimmy Swaggart Ministries’ buildings! Talk about mixing the occult with the Gospel of Jesus Christ!!!

But that's not all! I mean, what do you say we take a little visit to "The Charles Dingman School of Taekwondo" via the Internet (<http://www.dingmantaekwondo.com>). Because this is what you'll find when you get there:

Now isn't that impressive? I mean this "Dingman" thing takes "**Jimmy Swaggart And The Accursed**" to a whole new level! In fact this is right about the place we need to take another quote from Jim Nation's email:

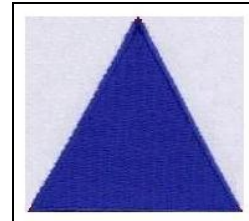

I am a former Freemason and it also is part of the Mystery religions, the church is filled with the New Age movement which all connect to the same thing and **all roads lead to Rome**, Rev. 17.

So do you remember the sermonet "**Donnie Swaggart The Freemason**"? And how about "**Frances Swaggart, 'Brother' Daniel Nalliah, And Their New World Order**"? Well, the official patch shown above for "THE CHARLES DINGMAN SCHOOL OF TAEKWONDO" is going to reveal much more about this "demonic" New Age presence at the Jimmy Swaggart Ministries than most could even imagine. Because the

following information on Master Dingman's "school patch symbols" can be found in Dr. Cathy Burns' book "**Masonic And Occult Symbols Illustrated**":

The Triangle

The triangle with one point up just happens to be the symbol for Set and Shiva. In *Signs and Symbols of Primordial Man*, written by Albert Churchward, a Mason, we find that this **TRIANGLE** with the one point facing upward, was the **SYMBOL FOR SET** (or Sut)! In India, the triangle is "the caste mark of the followers of SHIVA...who wear it on their forehead." Another Masonic writer, J. S. M. Ward, adds:

"With the point upwards the **EQUILATERAL TRIANGLE STANDS FOR SHIVA THE DESTROYER**, and signifies the flame which rises upwards from the funeral pyre toward Heaven. This symbol is familiar to us [the Masons] in several degrees, notably the Thirtieth degree."

There's no contradiction here, for Set is the Egyptian deity, and Shiva is the Indian god of destruction. Both Names, **SET AND SHIVA**, are also listed in the Satanic Bible as another name for **SATAN!** Furthermore, Helen Petrovna Blavatsky affirms: "Now we have but to remember that Siva [Shiva] and the Palestinian Baal, or Moloch, and Satan are identical..." So, then, when the Masons and Eastern Stars tell us that the triangle represents the deity, we now know WHICH deity is being worshiped by the symbolism of the triangle.

The Infinity Sign

Another Satanic symbol is the lazy eight or the infinity sign. *The Seeker's Handbook* states that this sign is the "Western counterpart to the **YIN/YANG**."

A book, *Black Magic, White Magic*, explains the Yin-Yang like this:

"Another ancient magical sign called the yin-and-yang first appeared sometime before the 3rd century B.C. in China. This emblem became a favorite of **SORCERERS** and mystics throughout the Orient because it, too, embodies so many possible meanings."

One well-known witch, Sybil Leek, who is called the "mistress of the occult," proclaims that the Yin-Yang theory is:

"...an idea that inspired such things as Chinese boxing, breath control [used in yoga, meditation, etc.], the use of special herbs, and some rather exotic sexual exercises designed to nourish the Yang with the Yin."

She adds: "Critical to Taoism is the idea of Yin and Yang."

"According to the ancient Chinese philosophers, in the beginning was Tao. But then Tao separated into the two prime principles, yang and yin. And from the many combinations of yang and yin everything else that is in the world has emerged."

Now with all that in mind, it should be abundantly obvious that "Master" Dingman's "School of Taekwondo" is anything but Christian! And the following picture proves it!

“And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him.” (Revelation 12:9 KJV)

The great dragon – “Satan” – got kicked out of Heaven... but then Jimmy Swaggart invited him to stay at his ministry! What a bust!

Now it’s bad enough already that Jimmy Swaggart invited the Devil to stay in his Ketcham Fitness Center. But what makes matters even worse is that this same Devil is being invited into “Master” Dingman’s students through his Taekwondo training. I mean, after all, this is what Jim Nations had to say on the subject:

The martial arts comes from the Mystery religions and is connected to the occult it is demonic you cannot make the moves that are made within yourselves if takes a spirit, it is against everything that Jesus and the Holy Spirit stand for.

So, it takes “another spirit” that’s not the Holy Spirit to empower the students to make the Taekwondo moves that they are trained to make. And with “Master” Dingman’s “triangle” and “infinity sign” in mind, this is how it’s all made possible:

The experience of chi is also an aspect of this martial arts phenomenology. All of the various martial arts styles have devised techniques to experience the energies found in one’s body, other

persons, and nature. According to Shi Ming behind all the various martial arts schools can be discovered a “universal wave of energy (p.7).” The purpose of martial arts training is not to increase one chi at an other’s expense but to **experience a oneness with nature and other persons through a practice that allows one to become conscious of and flow with the universal wave energy.**

The I Ching conceptualized the universal wave energy in the Tai Chi symbol as Yin energy and Yang energy. These two energies then differentiated themselves into eight primary archetypes or guas (gwe in Korean). Although each martial art style developed its own unique set of Neh Kong exercises, they share certain features in common.

All the martial arts contain practices that entail deep, abdominal breathing wherein the exhalation is longer than the inhalation. The breathing is done to circulate chi/energy in a circular fashion along the microscopic orbit—from the top of the head down to the coccyx or soles of the feet and back to the head. Excess energy is stored in the energy center below the navel. In combat energy is directed from the energy center to the space between the shoulder blades and into the arms and fists. **The fighting energy is emitted from the body and by the body in a straight line.** There are eight primary directions that one must be concerned with for deflecting and emitting energy. The theory of the eight directions is fully developed in the Chinese martial art of BaGua (Eight Gua). **The method of emitting straight power is fully developed in the Chinese martial art of Xing Yi. Karate and Tae Kwon Do emphasize straight power.**

The martial arts come from the Mystery religions. They are connected to, and inseparable from, the occult. And the preceding information gives a few of the details on how the Taekwondo students are empowered by the demonic spirits to make their unnatural moves. In fact, watch the following Youtube video for some very real proof of this “psychic energy” (<http://youtu.be/tZM3t9JpGjw>).

So there you have it! In 2009 Jim Nations put the bust on the “Christian” ministers and their ministries that promoted the “martial arts”... but yet Jimmy Swaggart had been one of them for over a year. In fact it’s now been over three (3) years since Jim Nations spoke his Truth on “martial arts”, but yet the Taekwondo Devil is still holding up in Jimmy Swaggart’s Ketcham Fitness Center. So “**IF**” Jim Nations is really an “**ex**” **Mason**, then why is he still involved with the Jimmy Swaggart Ministries and their “**MASONIC WITCHCRAFT**”???

The Jimmy Swaggart Ministries is full of “it”. And the “it” I’m referring to is **NOT** the Holy Spirit!

Day in and day out, souls are being destroyed and sent to Hell through the Jimmy Swaggart Ministries. Don’t be fooled by their chicanery! “**Keep on keeping the faith in Jesus!!!**”

Love,

Dad (Bruce Hallman)

PS: In the following short video/audio clip from "Frances And Friends" you will hear Jim Nations speak the following about himself: "You know, **as a Freemason**, there are a lot of Freemasons that are very anti-Semitic..." Update (9/18/12):

Shortly after having posted this sermonet I received an email from Mary Ann Riley, the mother of Jordan who was sexually molested by Joseph Larson on her Facebook page. In fact it was Mary Ann's son, Chandler, who captured the screenshot evidence that was used in our sermonet "**Joseph Larson's Sex Sins And The Jimmy Swaggart Ministries!**" Chandler helped us to expose Joseph Larson "the sexual predator". And as you are about to read in the following email from Mary Ann, Chandler has once again been used by God to verify the fact that Ketcham Fitness Center is owned and operated by the Jimmy Swaggart Ministries:

Dear Bruce,

This article is RIGHT ON TARGET!! I have had questions about that since I saw it when I 1st moved to Baton Rouge!! BUT! This is what I was told from JSM people: The Ketcham fitness center is managed by another company who rent the space from JSM and has nothing to do with JSM, so I went along and believed that UNTIL...!!!! When we first moved here, my son, Chandler joined the Ketcham fitness center and paid the entire membership for a year in cash and did the same in the next 2 years. He worked out there most days for 3 years, being friendly with several on staff, including Keith Babin, the FWC/JSM new family pastor...as you know about our EXIT and exposure of what happened to us at JSM and Chandler's posting of Joseph Larson's private facebook messages to my daughter, it is no surprise as to what happened next- although everyone SAID the Ketcham had nothing to do with JSM, supposedly, Keith Babin and others from JSM staff ran the operations and managed the club....anyway, one day, Chandler, who you remember had PAID in FULL for an entire year to a club which is open to the public, was stopped at the desk by Keith Babin, who apologized to him but that Frances Swaggart said he couldn't work out there anymore and handed him a check signed by Frances with half a year refund and he was told he would not be permitted on ministry grounds! THAT for exposing one of their little WOLF PRINCES! The Ketcham Fitness Center, in my opinion, however is a very run down, filthy health club with little to offer most health club savvy people in Baton Rouge, so you do not find many that would even go inside and take a tour for fear of "catching a disease". The JSM people seem to enjoy it however, and Chandler has mentioned seeing Donnie Swaggart even come to work out, bringing his bulldog, Boudreaux with him! Gag.. where is the HEALTH DEPT when you need them? The IRONIC thing is one of the last few months Chandler was working out there, he met a man who was lifting weights with him and he was verbally bashing JSM and Chandler asked him how he knew so much. He told my son that he was a cop in Baton Rouge and had actually been the policeman who pulled over Jimmy Swaggart years ago on Airline Rd perusing for prostitutes! He told my son and another man about the whole story and Donnie's anger and intimidation of him to BE QUIET and change his story! Well HE didn't get kicked out of the Ketchum like Chandler did.. ha, ha.. he is probably a FREEMASON! All in da club!!

So, there you have it! The KETCHUM FITNESS CENTER is MOST DEFINITELY OWNED AND RUN BY JSM! But they LIE about it! LIARS LIARS- PANTS ON FIRE!
