

The work Demon

Exodus 20:3 Thou shalt have no other gods before me.

Luke 10:25 And, behold, a certain lawyer stood up, and tempted him, saying, Master, what shall I do to inherit eternal life?

Luke 10:26 He said unto him, What is written in the law? how readest thou?

Luke 10:27 And he answering said, Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbour as thyself.

Mark 12:29 And Jesus answered him, **The first of all the commandments is, Hear, O Israel; The Lord our God is one Lord:**

Mark 12:30 And thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind, and with all thy strength: this is the first commandment.

Mark 12:31 And the second is like, namely this, Thou shalt love thy neighbour as thyself. There is none other commandment greater than these.

Matthew 22:35 Then one of them, *which was a lawyer*, asked *him a question*, tempting him, and saying,

Matthew 22:36 Master, which is the great commandment in the law?

Matthew 22:37 Jesus said unto him, **Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind.**

Matthew 22:38 This is the first and great commandment.

Matthew 22:39 And the second is like unto it, Thou shalt love thy neighbour as thyself.

Matthew 22:40 On these two commandments hang all the law and the prophets.

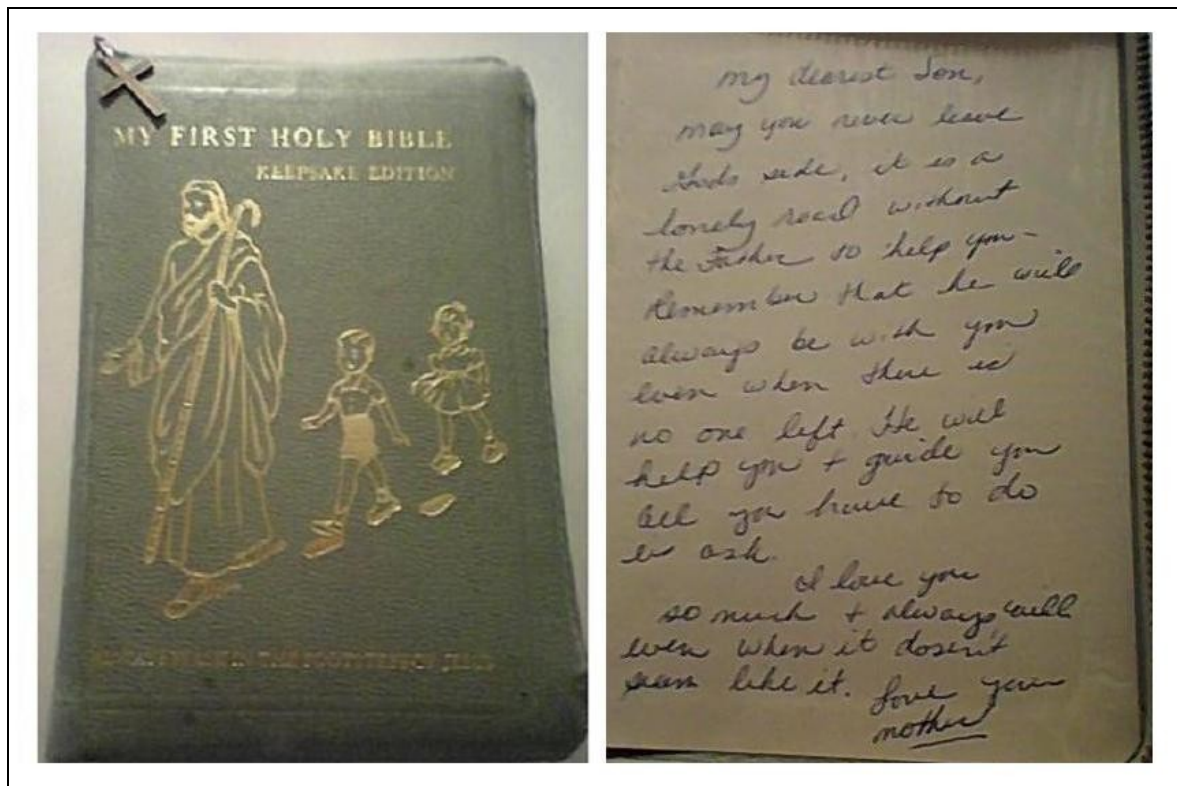

When I was a young kid my mom and dad got a divorce when my mom was 18 yrs old. I was like 5yrs old or so, I can't remember exactly but it was pretty close to that age. The Lord told me that my mom Debbie and my dad Daved were the perfect marriage and that they were not supposed to be divorced. It was a God chosen marriage and I am the product of them. The Lord said that I am a prophet and that came from my dad Daved and my mother Debbie.

Matthew 19:5 And said, **For this cause shall a man leave father and mother, and shall cleave to his wife: and they twain shall be one flesh?**

Matthew 19:6 Wherefore they are no more twain, but one flesh. What therefore God hath joined together, let not man put asunder.

My mom raised me and also my grandmother raised me. When my mom was working I would stay with my grandma and go to church on Sunday and also go to the movies. I went to Mountain View Baptist church and the pastor was Doyle Ryan who has already passed on to go be with the Lord. I was going to church at like 7 or 8 yrs old and had a strong Christian foundation.

I would read Bible scriptures every morning with my grandma when I would stay with her and she would preach and tell me about the scriptures. My grandma and me would pray before eating the food she had prepared for me. My grandma got up and ate way earlier than I did so I was never able to make it up at the time she did. After I ate breakfast we would read scriptures grandma had picked out. My mom got me a baby Bible when I was a kid and inspired me to never leave the Lord Jesus Christ for as long as I lived and in the baby Bible were some instructions for mom and dad and thoughts for children.

Instructions For Mother and Father

Proverbs 22:6 Train up a child in the way he should go: and when he is old, he will not depart from it.

Judges 13:12 And Manoah said, Now let thy words come to pass. How shall we order the child, and *how* shall we do unto him?

Isaiah 54:13 And all thy children *shall be* taught of the LORD; and great *shall be* the peace of thy children.

Deuteronomy 6:6 And these words, which I command thee this day, shall be in thine heart:

Deuteronomy 6:7 And thou shalt teach them diligently unto thy children, and shalt talk of them when thou sittest in thine house, and when thou walkest by the way, and when thou liest down, and when thou risest up.

Psalms 144:12 That our sons *may be* as plants grown up in their youth; *that* our daughters *may be* as corner stones, polished *after* the similitude of a palace:

Proverbs 29:17 Correct thy son, and he shall give thee rest; yea, he shall give delight unto thy soul.

Ephesians 6:4 And, ye fathers, provoke not your children to wrath: but bring them up in the nurture and admonition of the Lord.

Proverbs 20:7 The just *man* walketh in his integrity: his children *are* blessed after him.

Thoughts for Children

Ecclesiastes 12:1 Remember now thy Creator in the days of thy youth, while the evil days come not, nor the years draw nigh, when thou shalt say, I have no pleasure in them;

1Kings 3:7 And now, O LORD my God, thou hast made thy servant king instead of David my father: and I *am but* a little child: I know not *how* to go out or come in.

1Kings 3:9 Give therefore thy servant an understanding heart to judge thy people, that I may discern between good and bad: for who is able to judge this thy so great a people?

Proverbs 23:26 My son, give me thine heart, and let thine eyes observe my ways.

Exodus 20:12 Honour thy father and thy mother: that thy days may be long upon the land which the LORD thy God giveth thee.

Proverbs 8:32 Now therefore hearken unto me, O ye children: for blessed *are they that* keep my ways.

Psalms 141:3 Set a watch, O LORD, before my mouth; keep the door of my lips.

Psalms 19:14 Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight, O LORD, my strength, and my redeemer.

Psalms 56:3 What time I am afraid, I will trust in thee.

When my grandma and me would go to the movies my grandma would only go to watch Walt Disney cartoon movies. I would say, "Grandma, can we watch this movie?" And my grandma would say, "No, that is of the Devil, we will watch this nice little cartoon." I would say, "Alright grandma cool!!" My grandma and me would go to the 7-11 to buy the candy for the movies and at the movies we would buy a bucket of popcorn and a large drink in order to save money.

We would put the candy in my grandma's purse and go in with it. Walt Disney was a 33-degree mason and all his cartoon movies have illuminati symbolism and have an evil sexual edge to them. At the time my grandma and me had no idea about any of that and were completely innocent. My grandma and me would go out to eat at Dairy Queen, Leo's Mexican restaurant and lots of other places. Praise God for my grandma, she is the one that truly led me to Christ, not my dad Dave, not my mom or anyone else.

The man in Christ I am today is all thanks to my grandma and God Almighty. However, the inspiring word from my mom in my baby Bible is absolutely beautiful, true and great as well. My mom raised me excellent but once she married Phill there was not much said about the Lord Jesus Christ in our house. I love all of my family very much but

the Lord is a jealous God. If the Lord does not want me certain places then I can't go because the Lord God Almighty is in control not me.

Deuteronomy 4:24 For the LORD thy God is a consuming fire, *even* a jealous God.

Deuteronomy 6:15 (For the LORD thy God is a jealous God among you) lest the anger of the LORD thy God be kindled against thee, and destroy thee from off the face of the earth.

2Corinthians 11:2 For I am jealous over you with godly jealousy: for I have espoused you to one husband, that I may present *you* as a chaste virgin to Christ.

Anyway back to the story, at this time my mom, Phill and me lived at the Mercury house and stayed there for a couple of years. Phill is my step dad and we got along good. I had this BMX Bicycle that my mom and Phill got me and I would ride it all over but I had to stay on Mercury road and I could go to my grandma's or grandpa's but had to call my mom so she knew where I was at. Then later my mom told me not to go over there when I was riding my bike because it complicated things. If my mom was cooking and I am out riding my bike, then I go to my grandpa's and then go eat with him it throws everything off so I understand why my mom did that.

One time I was riding my bike and I went to a friend's house and they were not home so I left and coasted down there long driveway and I was looking down the whole time while I was riding until finally I looked up and boom! A car was driving down Mercury at the exact time I was going down the driveway to get on to Mercury and I smashed into this lady's car. My face smashed right into her door, The lady started to panic and her daughter picked up my bike and walked it to my house which was right across the road a little ways up.

The lady drove me to my house and asked me if anyone was there and I said that my mom was there. I walked in and said, "Don't panic mom but I just got into an accident. My mom said, "What! Are you okay?" I said, "Yes, but my face smashed into her door and I feel tired." My mom said, "Stand up and don't sit down, let's go to the hospital." The lady that I hit said she was sorry but I told the lady that it was my fault because I was not paying attention looking down while I was riding my bike. My mom took me to the hospital and I don't remember anything after that.

After the incident my mom told me that the hospital thought that my mom was beating me up so she called my step dad Phill and he went down to the hospital and told the doctor, "If you don't help my son I am going to beat you up!" Through all of this God Almighty has been protecting me. The Lord made me hit the lady instead of the lady hitting me. Glory be to God!

My mom was pregnant with my sister Gina at the time of the Mercury house and when my sister was born I was excited and my mom said, "Don't be jealous of your sister okay," and I said, "No mom I'm not," and I truly love my sister and we had lots of fun together and when she grew up we would argue a lot but also work together and I always would protect her. I wish I would have showed her my Bible and told her about Jesus at a young age but I never did. I was not on the level that I am now.

Proverbs 22:6 Train up a child in the way he should go: and when he is old, he will not depart from it.

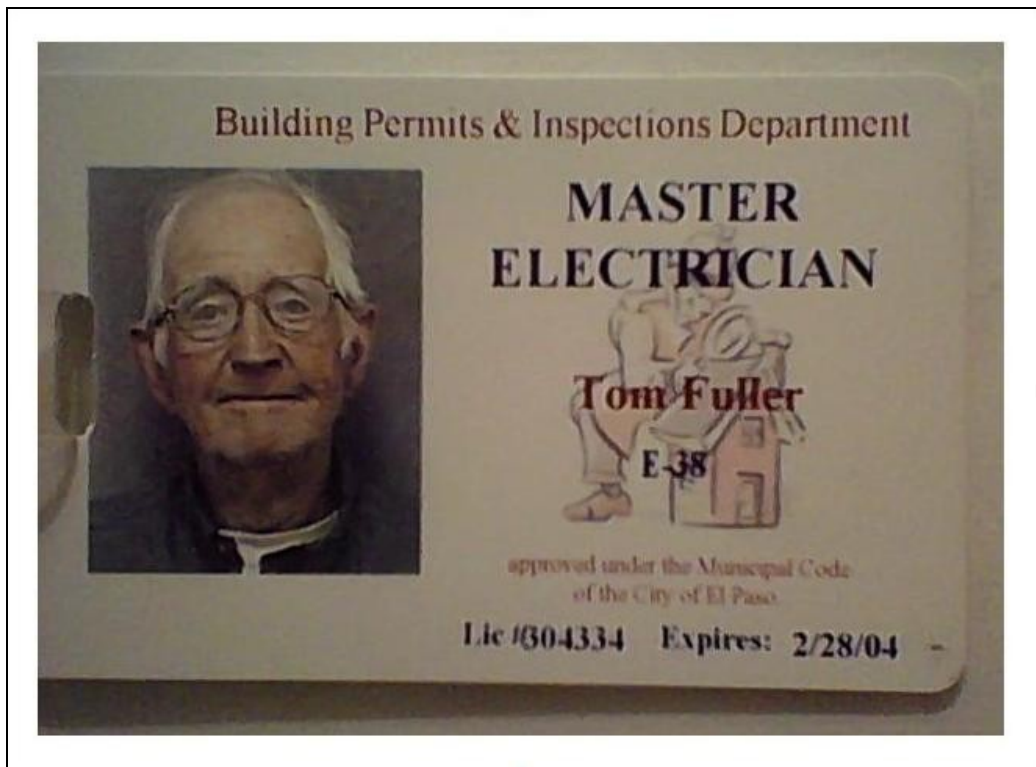

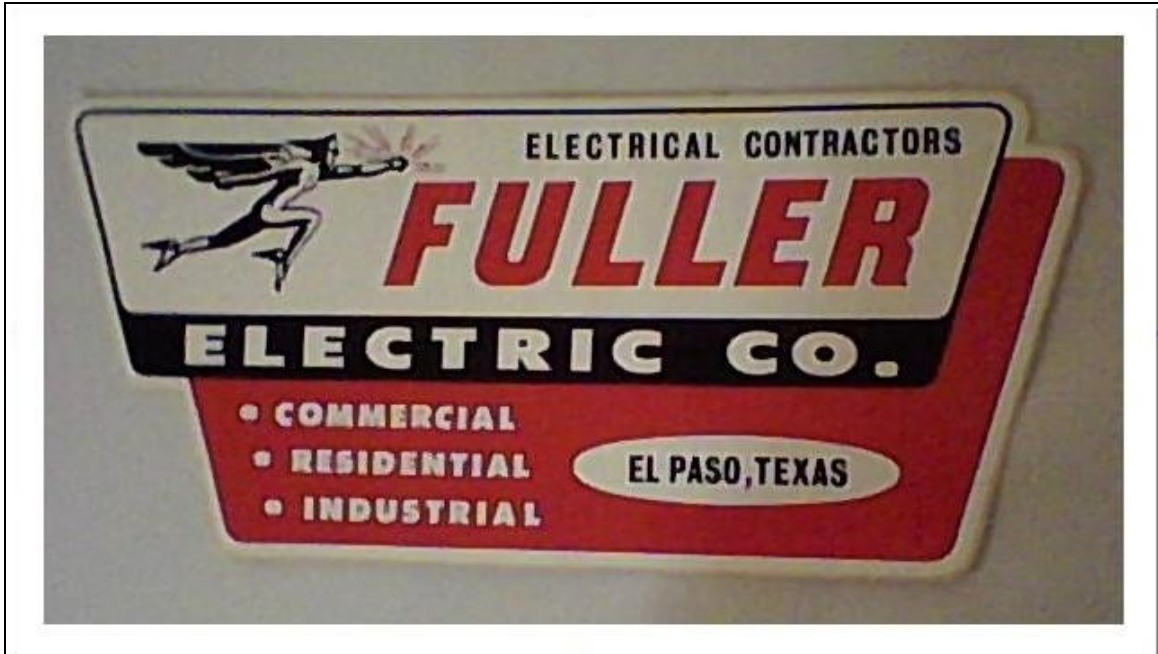

Psalms 144:12 That our sons *may be* as plants grown up in their youth; *that* our daughters *may be* as corner stones, polished *after* the similitude of a palace:

In the beginning my grandpa and grandma were living in the same house when I was real young until one day my grandpa was living in the office under the carport outside of the house. There is a driveway on the side of the house and there is a carport at the end of the driveway. At the end of the driveway under the carport was the office that my grandpa stayed in. It was a little office and I would go see my grandpa from time to time. Grandma said, "I had to cut him loose because he's been seeing other women." Grandma would still cook for my grandpa because if she did not cook for him he would eat Wolf Brand Chili every day. Grandpa had stacks of Wolf Brand Chili lying around.

My grandpa's name was Tom and my grandma's name was Dorothy. So I would visit with my grandma and hang out with my grandpa. I would tell my grandma that I

was going to grandpa's and she would say okay and then I would go hang out with grandpa and help him with working on all his vehicles. We would put in transmissions and fix engines and I would help my grandpa with whatever it was he was doing. He was always busy. He was a master mechanic, master welder and master electrician. My grandpa owned a company and it was Fuller Electric. Fuller Electric was commercial, residential and industrial.

My grandma did arts and crafts. My grandma would go sell her items at the arts and craft shows and I would go with her sometimes. My grandma would have her daily TV shows to watch and they were, Bonanza, He Haw, Matlock, Colombo and Co jack. When my grandpa and grandma were together we would go to the Dunkin Donuts on Dyer and my grandpa would have coffee and pour on the sugar. My grandma would have coffee as well and they would just talk with everyone. Then once my grandpa was cut loose he would go down to the Dunkin Donuts all the time and talk with his friends and some women.

My grandpa had 2 girlfriends and their names were Asita and Alice. My grandpa stayed with Alice sometimes but also had his own place on Mercury. Alice was a cigarette smoking Samoan woman that was cool and crazy. She got drunk sometimes and would jump my grandpa's wall and yell, "Tom, where you at"?!! She was crazy when she was drunk but nice when she was sober. Grandpa would say, "You need to be careful jumping that wall drunk, if you end up breaking a foot or something your gonna be hurt." Sometimes I would ask grandpa were Alice was and grandpa would say, "She's at the whooch house." That simply meant she was at the bar drinking.

Alice had 2 daughters and one of them I went to Fannin Elementary school with and her name was Lisa and we were good friends. I would walk up to her when we walked home from school and she would say, "You can't walk with me," I would say, "We are going to the same place," Lisa would say, "I know we are going to the same place but I don't want people to see you walking with me." Lisa said, "Walk on the other side of the street." I said, "Okay." So I would walk on the other side of the street and would talk to her when we were safely at her house.

My dad would pick me up from Alice's house and we lived in Chaparral New Mexico on Tumbleweed road in a 2-story house with a 2acre lot with 2 Great Danes, 7 Doberman Pinchers, aviaries of all different types of Parrots. We had African Grays, red Macaws, blue Macaws, Cockatiels, Cockatoos, raccoons, and a donkey.

Asita was about 28 yrs old or so and had a newborn baby. They would go eat together and my grandpa would give her money. My grandpa was fixing her car because something was wrong with it. He would see Asita once in a while. My grandpa was like 73 yrs old at the time. Asita used my grandpa for money and all kinds of things and one time Graham who is my dad's ex-wife's son saw Asita get money from my grandpa and then right after that go pick up this guy at the 7-11 across the street.

Revelation 21:8 But the fearful, and unbelieving, and the abominable, and murderers, and whoremongers, and sorcerers, and idolaters, and all liars, shall have their part in the lake which burneth with fire and brimstone: which is the second death.

My grandpa had a short fuse ready to blow at any minute so when you worked with him you better be fast and think about what you are doing. We had lots of fun and worked well together for the most part. Sometimes I would mess up and get yelled at continuously but at the end of the day it did not matter because it was just anger at the moment. My grandpa's best friend was Bob Godwin and they would go out and if anyone messed with them they would beat them to death.

Hebrews 11:34 Quenched the violence of fire, escaped the edge of the sword, out of weakness were made strong, waxed valiant in fight, turned to flight the armies of the aliens.

My grandpa had a five-foot piece of solid copper MCM cable behind his seat just in case anyone would roll up on him. This MCM copper cable was about 1in and a half thick in diameter. Bob Godwin was a boxer and he was pretty good. Bob Godwin said, "Boy, I will have you eating 5 steaks a week and train you how to box and you'll be knocken em out like crazy."

Grandpa would beat the tar out of anyone who would mess with him with the MCM cable or he would stab someone who tried to mess him up. Tom Fuller did not mess around. If you tried to mess him up, he would just kill you and not even think twice about it.

My grandpa, me and my dad Daved went to Denny's on Dyer to eat one day for lunch and when we finished we got into my grandpa's truck and backed out, this older man about the same age as grandpa waved us down before we left the parking lot and said, "Hey man, you scratched my car when you backed up. My grandpa jumped out of the driver seat and said, "I did not scratch your car, that tiny old scratch was already there when I backed out," Then my grandpa walked off.

Then the other guy said, "Wow look at the life you lead, stupid." Then my grandpa ran back over there and my dad grabbed my grandpa and said, "Lets go dad, get in the truck!" Grandpa got in the driver seat and we took off out of the parking lot of Denny's and we were back on Dyer headed south. My grandpa was cussing out that guy the whole time. My grandpa said, "Did I scratch that guy's car? My dad said, I don't know but you back up pretty crazy."

I was sitting in the middle and my dad was sitting in the passenger seat and my grandpa said, "I'm turning around and I'm gonna get that guy." My dad said, "No No, keep going strait." My grandpa turned the wheel of the truck to turn and go back but my

dad grabbed the steering wheel and made my grandpa go strait. My grandpa could not turn the wheel and we just ended up going back to grandpa's place which he called the Fuller's pad.

When we got home my dad left and I stayed with my grandpa and when we walked in my grandpa's place also known as the Fuller's pad my grandpa showed me some knives he had and said, "I was about to stab that guy!"

James 4:2 Ye lust, and have not: ye kill, and desire to have, and cannot obtain: ye fight and war, yet ye have not, because ye ask not.

During this whole time my dad was working and had his own company and his company was expanding and he started with 2 trucks and 3 to 5 employees. Then little by little got jobs, got paid, got more trucks and just got real good at getting jobs. My dad's company grew and grew and where I am living right now was his company headquarters at one time.

My dad was always busy and sometimes I would go to work with him and sometimes I would stay with Karen who was my dad's wife at the time. My dad made his company in order to take care of me and so he would have good money to support me. He was not there in the beginning but he is there now and I never held a grudge and just accepted that my dad is a workaholic. My dad waited till I grew up a bit because he's not into the baby life and besides, he was busy and still is. My dad's company is **Tri-State Electric**, which is now a huge company and my dad is a very busy guy and works for the state.

Revelation 3:17 Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked:

I worked for Tri-State Electric from 2004 to 2010 but got fired from TSE several times for not being able to pass a drug test. My dad gave me like 4 different chances and finally on the last one I eventually just quit because I got tired of the hot sun and would have to wear this crazy mask to cover my face.

When I eventually left I was in the Traffic Control dept and the crew leader Rick who would let the other techs go home after they set up the lane closures they needed to do. Then Rick would make me and the person I was working with do all the work. It started getting worse and worse. Rick would make us pick up our lane closures and the other crews as well. I did not mind helping the other crews but when everyone went home and we were always the ones picking up everything it just got old.

One day we had a set up and we did not check the hitch right and we were pulling 2 arrow boards and one came loose on I10 and passed us and it just started rolling away into the side of I10 where there was this car parked and the arrow board smashed into the car.

I was dirty from Marijuana that I had smoked a while back and knew since this arrow board smashed into a parked car that I was going to get drug tested and they tried to pull the drug test on me but I quit and got taken to TSE and got into my truck and never looked back. I left TSE and never worked there again and on my final way out I got

unemployment for like 6 months and bought lots of Chronic and Kush which is high grade Marijuana.

Colossians 3:6 For which things' sake the wrath of God cometh on the children of disobedience:

Ephesians 5:6 Let no man deceive you with vain words: for because of these things cometh the wrath of God upon the children of disobedience.

1Samuel 15:23 For rebellion is as the sin of witchcraft, and stubbornness is as iniquity and idolatry. Because thou hast rejected the word of the LORD, he hath also rejected thee from *being* king.

I partied until the weed was gone and eventually ran out of money and ended up wrecking my Ford Ranger and you can read all about it in **The Wrecked Ford Ranger** and after that I ended up giving my life to the Lord Jesus Christ and started going to church at Sun City Christian Center and you can read all about that in **Sun City Christian Center Exposed**.

Then in 2003 my grandpa got sick and had to stay at Thomason hospital and when my grandpa was down and out and could not move or talk Jose Agulera and Bruce Hallman went and prayed for my grandpa and got him to accept Christ as his Savior because the way grandpa looked they did not know if he was going to make it.

Philippians 2:27 For indeed he was sick nigh unto death: but God had mercy on him; and not on him only, but on me also, lest I should have sorrow upon sorrow.

James 5:14 Is any sick among you? let him call for the elders of the church; and let them pray over him, anointing him with oil in the name of the Lord:

Bruce Hallman was there as backup to help pray for my grandpa and Jose Agulera knew my dad Daved but at the time my dad was busy working. Jose Agulera was holding my grandpa's hand and when my grandpa accepted Christ he squeezed Jose Agulera's hand. That was all that my grandpa could do at the time because he was very sick. Then eventually my grandpa was better and was back at it.

James 5:15 And the prayer of faith shall save the sick, and the Lord shall raise him up; and if he have committed sins, they shall be forgiven him.

Luke 10:9 And heal the sick that are therein, and say unto them, The kingdom of God is come nigh unto you.

Then when my mom Phill and me lived at the Nolan house we would go swimming at the neighbors and have a barbeque with Mike and Alona. They were real nice neighbors and we would go over and swim quite a bit. One time we were over there swimming and it was my mom, Phill, Gina, Mike, Alona, and this little kid and of course me.

I was eating on the bench the food that the adults grilled with this kid and out of the corner of my eye my sister had got into the water and was kicking and swimming but

the thing was that her floaties were not keeping her head out of the water. I stared for a minute and then all of a sudden my step dad Phill jumped in the water and saved my sister.

Phill said, "You didn't see your sister in the water?" I said, "No," and my mom said, "You guys need to wake up over there and pay attention." I said, "Okay," and at that moment I felt like garbage because I should have been the one to jump in the pool to get my sister out of the water because I saw her first and I love my sister and never once was I jealous of her.

I love my sister so much and I did not ever want anything bad to happen TO HER! For many years I had anxiety about that topic and it was never healed and if I ever thought about that situation it tore me apart. One day the Lord made me tell Bruce about Gina in the water and I told Bruce how I felt and that I should be hanged because of what I did and then the Lord spoke to him and then me.

The Lord Jesus Christ told me that on that day He (Jesus) kept me from jumping into the water to get Gina because the Lord would have liked her to drown so she would be up in heaven with Him. The Lord went on to say, "What are the chances that Gina is going to make it to heaven now? You (Chris) think it would have been a bad thing that your sister drown but it would not have because she would be in my loving arms saith The Lord God Almighty who made Heaven and Earth. I never would have thought the Creator of the universe would say such a thing but when you look at it His way it's all about making it to heaven because 70, 80, 90 years goes real fast and when you take your last breath, where are you going?"

Isaiah 55:8 For my thoughts *are* not your thoughts, neither *are* your ways my ways, saith the LORD.

Isaiah 55:9 For *as* the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.

Ezekiel 18:25 Yet ye say, The way of the Lord is not equal. Hear now, O house of Israel; Is not my way equal? are not your ways unequal?

Ezekiel 18:29 Yet saith the house of Israel, The way of the Lord is not equal. O house of Israel, are not my ways equal? are not your ways unequal?

Gina is living just like the rest of the world living the way she sees fit and only uses God when she needs Him along with all my family. The rapture is going to happen and the way my family is going they are going to be left behind. You have to be constantly seeking God and doing what he wants you to do all day long. Every waking minute needs to be used for the Lord and if you are not walking in the Spirit when the rapture happens you will be left behind.

If you have a sudden wreck or accident and you die and you're not right with God you will burn in hell forever. I did not make the rules but I am going to follow them because I don't want to go to hell. This life is only temporary. Everyone needs to be aware of all this because you only get one chance to get it right.

1Corinthians 15:52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

This is what life is all about

God gives us life to worship Him and to do His divine will and to walk in obedience. Through obedience we are healed and we get re-gened in Jesus as we are obedient and do His will.

Hebrews 5:8 Though he were a Son, yet learned he obedience by the things which he suffered;

Here's some good Scripture on "working out salvation"

1John 4:10 Herein is love, not that we loved God, but that he loved us, and sent his Son *to be* the propitiation for our sins.

1John 4:19 We love him, because he first loved us.

1John 2:4 He that saith, I know him, and keepeth not his commandments, is a liar, and the truth is not in him.

Philippians 2:12 Wherefore, my beloved, as ye have always obeyed, not as in my presence only, but now much more in my absence, work out your own salvation with fear and trembling.

1John 2:5 But whoso keepeth his word, in him verily is the love of God perfected: hereby know we that we are in him.

James 1:21 Wherefore lay apart all filthiness and superfluity of naughtiness, and receive with meekness the engrafted word, which is able to save your souls.

James 1:22 But be ye doers of the word, and not hearers only, deceiving your own selves.

Ephesians 2:9 Not of works, lest any man should boast.

You still have to do spiritual works in order to get to heaven. When God Almighty tells you to do something and you complete the mission that He commanded you to do, you just did a spiritual work or spiritual deed. When you read the scripture:

John 14:15 If ye love me, keep my commandments.

The Lord is not talking about the ten commandments He is talking about, When the Lord tells you to do something do it. When you take this human body and make it use up energy in order to complete a commandment that God Almighty gives you to do you are in essence doing a spiritual work or spiritual deed and that is what re-genes you in Jesus. There are satanic chords plugged into the flesh and when we obey God and

complete a commandment He gives us, the Lord unplugs a satanic chord and plugs in the glory of God and at that moment a tiny part of you is getting re-gened in Jesus.

This process takes our whole life to do until we die or we get raptured up. Through obedience we are healed and becoming more Christ like is only through completing the commandments He gives us. You are killing the flesh when you do what God Almighty tells you to do. That's the only way to become Christ like, Through obedience, His word is Spirit and through obedience His Spirit becomes a part of us as we complete the task, commandment or scenario God Almighty tells us to do.

You are getting re-gened in Jesus as you listen and complete the mission He has given you to do and you are doing a spiritual work or spiritual deed by completing the commandment God gives you.

John 6:63 It is the spirit that quickeneth; the flesh profiteth nothing: the words that I speak unto you, they are spirit, and they are life.

The words that I speak unto you they are spirit and they are life so when God Almighty tells you to do something and you do it His Spirit becomes a part of you, it's like His blood is flowing through you at that moment and you are getting satanic chords unplugged from the flesh, beoming more Christlike, getting re-gened in Jesus and that is the only way to sacrifice the flesh.

John 12:47 And if any man hear my words, and believe not, I judge him not: for I came not to judge the world, but to save the world.

The Lord's commandment is life everlasting and if we reject that word it will condemns us to hell. If you are not hearing the Lord's voice you are not a sheep. The Lord is the good Shepard and He knows His sheep and his sheep know Him. Seek the will of the Father so you know what the will of the Father is.

John 12:50 And I know that his commandment is life everlasting: whatsoever I speak therefore, even as the Father said unto me, so I speak.

Being obedient and doing the will of the Father and seeking Him for His will is the process, which puts on the wedding garments. We put the wedding garments on as we serve Him. Only those with the wedding garments when it's time to punch out are going to make it into heaven. The wedding garments are the fleshly body getting out the junk and getting re-gened in Jesus.

Matthew 22:11 And when the king came in to see the guests, he saw there a man which had not on a wedding garment:

Matthew 22:12 And he saith unto him, Friend, how camest thou in hither not having a wedding garment? And he was speechless.

When I used to work for my dad our relationship was based on work and was all about work. That's what my dad is into so that's what we would talk about. My dad has made this huge company, which takes up almost all his time. I understand he just can't let it go and this is what he learned to do. Work is his routine and I understand that he made this company so he would have money to take care of me and would not have to worry about money along with the fact that he loves to work and fly. Those are 2 of his

hobbies and he does them well. My dad likes being in charge and telling people what to do and if I was in his position I would too. However, that has very little to do with it.

I love my dad very much and he has always financially supplied me with what I need and that is nice. When I was a kid my dad said, "I feel that one day I will have a big company and I will give you everything but if you get into drugs I am not giving you anything." Every father wants his son to walk in his footsteps and my dad sincerely wanted to hand over the company to me and let me run it when the time is right. What does God think about this situation and what does God want to happen? The longer my dad holds on to the company the longer the company will have a hold on him.

The Lord does not want me to run and operate Tri-State Electric. It is Okay if my dad was to give me the company because I can sell the company and give the money to the Lord. With fear and trembling I would do what the Lord wanted with the money that we got back from the company. I know this because I prayed several different times and that is what the Lord God Almighty said. I heard the Lord loud and clear with no confusion.

If I were to run Tri-State it would eventually pull me away from God. You see the problem with that is it might be okay at first but then little by little if I start making decisions without asking God, the more I did that over and over eventually I would forget about God Almighty and fall away. No more writing for FMH because I would be too busy with work. I would have to become like my dad. Work, work, work and would eventually disobey God and lose contact with him.

However, I want my dad to make it to heaven and it's easy to get away from God when you are busy. The problem is that my dad worships work. Tri-State Electric has become his god and the god my dad worships is not the God of the Bible and any other god you put in front of God Almighty is a false god. Running Tri-State Electric is more important than the Lord Jesus Christ and whatever you love more than Jesus is a problem. What my dad is doing is he just wants to repent at the last minute in order to make it into heaven. It can work that way but what if you don't get that chance? What if you die and you did not get a chance to repent? Then you will go to hell. When the rapture happens and it will, if you are not ready and you don't have the wedding garments on you will be left behind.

**Matthew 22:11 And when the king came in to see the guests, he saw there a man which had not on a wedding garment:
Matthew 22:12 And he saith unto him, Friend, how camest thou in hither not having a wedding garment? And he was speechless.**

One day the rapture will happen and people are going to disappear off the face of the planet and will meet the Lord in the sky. What a day that will be. We will be changed and glorified in our new body which will be flesh and bones filled with the Holy Spirit. There will be no blood in us just filled with the Holy Ghost.

Luke 24:39 Behold my hands and my feet, that it is I myself: handle me, and see; for a spirit hath not flesh and bones, as ye see me have.

1Corinthians 15:52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

1Thessalonians 4:17 Then we which are alive *and* remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

Repenting at the last minute is a very dangerous way to go because the Lord told me that the rapture is around the corner and if you're not ready you will be left behind. If you get left behind the New World Order will come knocking on your door and make you take the RFID chip, which is the mark of the beast, take all your weapons and you become a slave to the New World Order.

**Revelation 14:9 And the third angel followed them, saying with a loud voice, If any man worship the beast and his image, and receive *his* mark in his forehead, or in his hand,
Revelation 14:10 The same shall drink of the wine of the wrath of God, which is poured out without mixture into the cup of his indignation; and he shall be tormented with fire and brimstone in the presence of the holy angels, and in the presence of the Lamb:**

You worship what you love to do, whatever you hold close to your heart is what you worship. Anything can become a god just love that thing more than Jesus and you found a false god you worship. My dad has spent his whole life building up this company and he is not going to just let it go and I understand. My dad has made a huge company but what does God Almighty have to say about it? What does God Almighty want my dad to do? What does God Almighty want my dad to do with his company? Those questions are between my dad and God. Those are the kind of questions we have to ask God. How do you want it done Lord? It's so easy to run the show and just do everything yourself but you are not letting the Lord lead when you do that.

Sheeps are on the right and the Goats are on the left, which one will you be?
God is love but His wrath is hell.

Jeremiah 29:11 For I know the thoughts that I think toward you, saith the LORD, thoughts of peace, and not of evil, to give you an expected end.

Psalms 31:3 For thou *art* my rock and my fortress; therefore for thy name's sake lead me, and guide me.

Psalms 25:5 Lead me in thy truth, and teach me: for thou *art* the God of my salvation; on thee do I wait all the day.

Psalms 5:8 Lead me, O LORD, in thy righteousness because of mine enemies; make thy way straight before my face.

Revelation 2:16 Repent; or else I will come unto thee quickly, and will fight against them with the sword of my mouth.

YOU CAN HAVE SALVATION, BUT ONLY ON ONE CONDITION;
That you are totally sold out to Christ, you don't have any personal rights, you no longer have any right to do anything. You will be a servant. You are in essence signing your own death warrant because Satan will hate you and try to kill you. You are gaining eternal life and citizenship in heaven. You give up your life here on earth to gain life in heaven.
