

# The Hard Rock Café Bar

*Famous Classic Bar in New Orleans, Louisiana*

Celebrating some of the most influential hard rock music in history. It helps you walk down history's path to experience Worldly, Occultic, Rebellious, Drug-Infested, Sex-Seeking, Devil-Lovin', "*unholy* ghost" chasin', ungodly music – some of the "best" this country has ever produced!

So why was it chosen by key Jimmy Swaggart Ministry "ladies" for their special occasion? It had to have a special draw to be chosen to stage the bachelorette party for Gabriel Swaggart's sister-in-law to be Jennifer Douglas. Perhaps because of the familiar rock style rifts and rhythms played there, the same rock music elements heard in the "worship" music at Family Worship Center?

Why not schedule *your* next fellowship gathering there? It's sure to increase your "unholy anointing" as it did for these girls, inspiring them to greater "highs" for their own stage shows at Family Worship Center.

By the looks of the blood-stained, glassy far-away eyes in the picture below, *someone* had a profound experience while she was there. Maybe you will too!

**Poor Allison Collins-Rhys. If she'd only waited and gone to this bar instead.  
She would never have lost her job, just like this one won't.**
